The answer to the simple question in that headline is surprisingly hard to come by. So **Slate** and the Tw
our crowdsourced interactive. [This data is necessarily incomplete](#). But the more people who are paying
help us draw a more complete picture of gun violence in America. If you know about a gun death in you
tweet @GunDeaths with a citation. (If you're not on Twitter, you can email slatedata@gmail.com.) And i
own projects, it's open. You can download it [here](#).
